Fighting for Love —

~~When~~ when the fighting starts - I know
That I have lost - Every hole in my
body is bleeding - my nose my cunt -
my eyes are red raw from all the tears -
I'm clutching my stomachs, holding
onto my self - Trying to stop my shit
from spilling onto the floor - You all
wrapped up ~~in~~ in my own pathetic
Loneliness - desperate to feel loved again
I can't eat - I can't sleep - my mind
jumps from a grinding numbness - to
Some crazy Fucked up out of control
Dog like hell

That how it is to live without love.
