ROBERT HAWKINS/MR. LEONARD, Rupert Goldsworthy, 453 West 17th Street, (212) 414-4560 (through Feb. 27). Mr. Leonard, as he calls himself, presents a salon-style installation of repulsive photographs of things like vomit, dog genitalia and weird pornography. His video of himself apparently being forced to eat his own tongue is amusingly gross. Mr. Hawkins's deliberately puerile paintings and drawings include "Jesus Doing Dracula for Halloween" (Johnson).
